Accelerating Wireline Broadband Deployment by Removing Barriers to Infrastructure
Investment, WC Docket No. 17-84*

Dear Secretary Dortch:

This letter is submitted to correct a clerical error in the Motion For Stay filed in the above captioned proceedings on October 31, 2018 by the National League of Cities, the United States Conference of Mayors, the National Association of Counties, the National Association of Regional Councils, the National Association of Towns and Townships and the National Association of Telecommunications Officers and Advisors as well as a number of other local governments and local government associations. The Motion incorrectly lists the City of Hillsborough as a Florida jurisdiction; it should instead refer to the Town of Hillsborough, California.

Pursuant to Section 1.1206(a) of the Commission's rules, a copy of this letter is being electronically submitted into the record of these proceedings. Please do not hesitate to contact the undersigned with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Gerard Lavery Lederer', written over a horizontal line.
